The **Skating Community for Opportunities in Recreation and Enrichment (The S.C.O.R.E.)**, a 501 C(3) Public Charity, is preparing for the Annual "Raise the Rink" Golf Tournament. We are proud to announce for a sixth year in a row the event will take place at Enjoie Golf Course in Endicott, NY, home of PGA's Champions Tour Dick's Sporting Goods Open.

Last year's event featured a great field of golfers, and non-golfers alike that enjoyed both on course and off course activities that lasted into the evening raising thousands of dollars. Some special guests that teed it up included current Buffalo Sabres forward Jerry D'Amigo, World Series Champion NY Yankee Steve Kraly, other sports dignitaries and community supporters.

The after-party followed golf with several hundred people in attendance with great food, plenty of cold drinks, family entertainment, mascots from the Binghamton Mets and Senators, Live Music, and plenty of fun. The highlight of the evening was our live **Sports/Memorabilia Auction** that featured NHL signed jerseys, sticks, and other sought after hockey items with some local ties. **We are again in need of your generosity for our charity auction. Specifically we are seeking game used items, jerseys, autographed items, etc. as well as event tickets and other sporting related donations.**

This year's event is scheduled this year for **Saturday July 18, 2015** and is expected to be highly attended with many of last year's participants already requesting to return.

This event is the S.C.O.R.E.'s annual community fundraiser and will allow us continue to our mission to develop a Community Center and Ice Rink in Western Broome. The proposed location for our facility will only minutes from local schools and the urban community. Our hope is that everyone will have the opportunity to learn the game of hockey and to learn to skate regardless of their race, socio-economic status or physical abilities. The facility will also serve a safe healthy venue for afterschool activities and the host of future Paralympic sports. Thanks to your continued help we are making this happen. The S.C.O.R.E. recently purchased pre-owned Zamboni ice-resurfacing machine, an entire set of NHL quality dasher boards, and are putting the finishing touches on an aggressive project to construct a new rink at an existing facility. In the meantime The S.C.O.R.E. continues its work in the community by sponsoring youth hockey players, assisting local groups construct outdoor skating venues and helping those less fortunate hit the ice.

In addition to auction items we are in need of items for Gift Basket Raffles, fully assembled gift baskets, and Door Prizes. Donations especially meaningful are those from local businesses, restaurants and service providers that show their support for this worth community project. .

If you can find the time and consider a donation and hopefully join us, we would be forever grateful.
